MARKET DIRECTORY
ADVERTISING CONTRACT
MARCH FALL BUYING MARKET

The MARKET DIRECTORY may be the single most valuable tool you, as an exhibitor, can use to interest the retailer in your product. It is mailed about a month before the market to over 450 retail stores. The retailer uses this Market Directory to plan coverage of the market, to keep track of appointments and to make notes. Even if the retailer has to miss the market, valuable information is available. Unless you, the exhibitor, supports the Market Directory with your advertising, we will not be able to afford to continue publishing this most important resource. In an effort to increase the number of ads, we are offering half pages at \$60.00.
